TOURNAMENT CHAIRMAN GREETING

Dear Grandmasters and Masters,

It is an honor to be this year's Tournament Chairman for the 2016 International Taekwondo Festival.

50 years ago Master Young In Cheon came to my dojang and began learning Taekwondo. He never gave up and was a good student who helped others and loved teaching young students. I am very proud of all of his accomplishments in the Taekwondo community here in America. From being the U.S. National Team Coach for over 10 years and being appointed the U.S. Olympic Taekwondo Team Head Coach in 2000 Sydney Games and all of his contribution to the Taekwondo community he still remains humble and passionate just as he was many years ago as a young student of mine.

Taekwondo passion is in him always and it is evident by his tournament success. I hope you will continue to support the International Taekwondo Festival and create wonderful memories with you and your students.

Good luck to all the competitors and I would like to thank all of the parents who support their child's Taekwondo program. This tournament would not be possible without the hard work of the Referees and Volunteers and the support of USA Taekwondo and I would like to sincerely thank everyone for their collective efforts on making this year's championship a success.

I look forward to seeing everyone at the Grand Arena at the Industry Hills Expo Center.

Sincerely,

Grandmaster Hyuk Jong Kim
