

### **Tournament Chairman Greeting**

Welcome to the 2017 International Taekwondo Championship!

Thank you for supporting the growth and spirit of Taekwondo by attending one of the finest tournaments in Southern California! Taekwondo is a sport that is growing quickly in the United States and all over the world and you are part of it.

Athletes, Masters, Referees, Parents, Friends of the Martial Arts, we are all here because the true value of Taekwondo has touched our lives in some way. I hope today you leave with a great impact; with a feeling of satisfaction and victory and continue to practice Taekwondo and share the passion with others.

This is a very special tournament hosted by the 2000 U.S. Olympic Team Head Coach, Master Young In Cheon. I would like to thank Master Cheon and also thank all the Masters, Referees and Volunteers for making this event possible for us to enjoy.

Good luck and have a great time!

Sincerely,

Chin S. Kim M.D.
